

KONVOX LASHING STRAP 50MM, WITH RATCHET HD & HOOK

GENERAL INFORMATION

The KONVOX 50 mm wide lashing strap is a topper. A two-piece lashing strap equipped with a robust ratchet HD and a welded hook, this lashing strap offers the ultimate solution for safely and efficiently securing heavy loads. The powerful ratchet ensures lightning-fast and secure tightening, while the welded hook ensures safe and reliable fastening to fixing points. This strong combination offers reliable load securing during transport, while maintaining both safety and convenience.

SAFETY AND USAGE GUIDELINES

Always visually inspect the strap before use. Lashing straps are NOT suitable for lifting materials. Check lashing schemes or LC tables before use if applicable. Do not place over sharp edges without protection. Ensure there are no knots or twists in the strap. Rejection criteria include: damaged or missing label, torn strap, defective ratchet, hook, or buckle.
